139 KIDS/TICKETY/SLIPPERY 139  
 (to audience, sings)  
 1 Blue Skidoo, we can too! 1

2 **EXT: THE SKY: CLOUDS** 2

We skidoo and REVEAL a beautiful blue sky where Josh and Blue are floating on a fluffy white cloud. \*We don't see Tickety and Slippery yet, they appear during the song as surprise guests. We can see the sun shining behind them with rays of light. Josh looks around --

140 JOSH 140  
 Well, now this is what I call a great skidoo! But, where are we?

141 AUDIENCE 141  
 The sky!

142 JOSH 142  
 The sky? No way I mean, <looks down; gets scared> WHOA. We are up so so high! And, what's this?

Josh points to the cloud.

Note: Make this character your own and don't be afraid of making playful choices!

START

143 AUDIENCE 143  
 A cloud! We will have puppets available in the room for you to utilize, if asked!

144 JOSH 144  
 A cloud?

Suddenly, the CLOUD opens it's eyes, and we see it's a young cloud - that is so excited to meet Josh and Blue.

145 CLOUD 145  
 A cloud! That's me! Hi ya Josh! Hi ya Blue! I'm Cloud <sadly> and I really need your help.

146 JOSH 146  
 Help? Of course we will help you. In fact, we are the best helpers in all of the land. And sky. (to audience) Right?

147 AUDIENCE 147  
 Right!

Josh gives the audience a thumbs up.

148 JOSH 148  
How can we help?

149 CLOUD 149  
Well .. <sadly> Even though I'm a  
cloud, I don't remember how to make  
a rainbow.. And my friend Magenta  
wants to see one!

150 JOSH 150  
Magenta? END

REVEAL: Magenta floats in on her own cloud.

SFX: Instrumental: "Magenta's Coming Over" song...

151 MAGENTA 151  
(bark: hello!)

152 JOSH/BLUE 152  
It's Magenta! Hi Magenta!

153 JOSH 153  
Magenta, you want to see a rainbow?

154 MAGENTA 154  
(barks: rainbow!)

155 JOSH 155  
I do! (leans in close to the cloud)  
I know how it feels when you want  
to make something but don't know  
how. I want to make a show.

156 CLOUD 156  
A show? I want you to make a show.  
Then can I be in it?

157 JOSH 157  
You got it! Now let's figure out  
how to make a rainbow. What does a  
rainbow need?

Beat.

**MUSIC: THE RAINBOW SONG**

\*As everyone sings, we see a few sparkly music notes fall  
down from the sky. Later, these music notes will be a clue.

**ENSEMBLE SIDE TWO - MR SALT**

The lights flicker. Blue and Magenta twirl around and "magically" hop off stage.

Josh runs onto an empty stage.

209 JOSH 209  
Did Blue just skidoo? <pause>  
Again?? Magenta too! <chuckles> No  
way! Okay, well, maybe we'll get an  
idea for the show. Do you want to  
skidoo, too?

210 AUDIENCE 210  
Yes!

211 JOSH 211  
Ok, me, too! Stand up and skidoo  
with me!
