ELIANY SIDE

Eliany is a side, but playful 7 year old. She has a thick Mexican accent which has made it difficult for her to be understood by her new friends on the playground. Please read the 3 separate passages in one take with a beat in between each one.

ELIANY:

Vamos a jugar! Let's play together!

(read as though writing a letter) "...here in Brownsville, Texas, but I don't wanna play anymore, can you help me?" (Eliany's voice, Mexican Spanish accent, says the wish here, she sounds a little sad and concerned)

—

ELIANY: "Can you tell me the rule again?"

"Ughhhhh —"

—

ELIANY (quietly): "Hola, Mia!

"Kiki and Sal, I don't want to play anymore! I don't like red rover!"

"Actually, I really just don't think I feel like playing at all! I want to go home." (Eliany starts tearing up, a couple sobs)
