MAIL CARRIER SIDE

Everyone is asked to whisper: "Magic is forever." Open interpretation encouraged.

***At the end of your tape, please whisper the above!**

MAIL CARRIER:

Rani always knows when they're getting a package. They wait on me night and day. No child or adult on my route has ever been this dedicated to receiving their mail. But Rani will have to wait. The packages are arranged in alphabetical order and the L's are in the middle somewhere. Usually, I set them aside knowing how badly Rani wants their packages to arrive. But I didn't pack the cart today, sorry. Oh! It looks like Rani's package is right here in the middle... of my sleeve.

SUFAR TEMPLE SIDE

SUFAR TEMPLE:

The Veil is a thin invisible line that shields the existence of magical beings. Within The Veil only magical beings can see and hear one another. It is not a place outside of time. However, those who are adept at time manipulation magic can use The Veil as a temporal zone. Which I am doing now. How I was able to learn such magic was at an Immortal House. An Immortal House is a structure made since the beginning of all things, when magic flowed freely from every being, plant, and thing. The houses were made to conceal magic, preserve magic, defend against threats to magic, and to gift magic. Each house holds a different magical skill. In each house there is something new to learn. If one wants to become a magician, all they must do is find an Immortal House. I can tell you where to find one. Listen closely. Follow the map on the back of the cards.
