OPAL THE OSPREY

Opal is old and wise. She has a very calming tone to her voice, with bird-like elements. Read this series of lines in one take – leave a beat in between each line. Make fun choices.

OPAL:

Wow! Where could it be from?

Alright, time to finish up the squash! I know just the route to take to Texas! Hop On!

Time for landing – 3....2.....1!

They make a sound telling us if we are right or wrong in what we guess!

KIKI SIDE

Kiki is a friendly 7 year old – bright, animated and full of energy!
Please read the series of lines below as if they are one passage.

KIKI:

I remember when I met my cousin who moved here from China, I felt sad that I couldn't understand the way she sounded and she couldn't understand how I sounded too. But then, after we talked to each other more, we COULD understand each other and we played all summer!

Eliany, I think that maybe you were angry because it was so hot outside and maybe that made you not want to play anymore. It would be nice to understand how Eliany is feeling right now...I know I feel better when people understand me.
