### **RANI LAKE:**

Yesssss. Five more minutes until the pool opens. Today's the day I'm going to attempt the helix hold. A trick that has made the careers of the greatest stage magicians ever. All that's needed to perform the trick is tons of water, which a pool has, and a helix band, which I made myself using aunty Kem's belts. And she's not going to notice because I'm going to put them back and she won't see the video that I'm about to take either. I'm going to complete the trick super-fast. Get out of it in 2 minutes or less. First, I lock myself in, then I jump into the pool off the highest diving board for splash factor, then I escape the helix hold, catch it all on camera and alakazam! my amateur magician debut. I just hope I can sneak in. The pool staff won't let me in anymore unless there is a lifeguard on duty that can specifically monitor me. Something about me being a reckless danger [MOU1] [MOU2] to other swimmers. I'm not too sure about that, I bring more swimmers to the pool. No one's trying to get pissed on but everyone's trying to see a show. Did you know that the first ever stage magician, Helios Horton was rumored to be an actual magician. On the day that he died, he actually never did. He just returned to his magician's lair under the sea. That's going to be me. After I successfully escape the Helix Hold. No way am I going to cause a disturbance this time. The pools open all day, and it will stay open all day. They can't be upset over what people chose to do at a public pool. I'm an everyday magician. I gotta practice my craft.
