INITIAL SELF-TAPE PLEASE PREPARE:

- Start with a Slate – Name, Height, Location and a brief comment on what excites you about this project. Please include a full body shot.
- 16-32 -bars of a pop/rock song or a contemporary musical theatre song with pop/rock feel of your choice that shows personality. Up-tempo preferred. IMPORTANT: Singing for Blippi is less important. BLIPPI THE MUSICAL

Blippi Side #1

BLIPPI

Hey, it's me, Blippi! Blippi! Let's spell my name, together! B-L-I-P-P-I! Blippi! Did I fool you before? Boy, was that a fun way to surprise you! I'm just so super excited to be here with you! How's everyone feeling today?

AUDIENCE responds.

BLIPPI

Are you all ready to play along with me and have a goodtime?

AUDIENCE responds

BLIPPI

Oh, good! Well, I want everyone to meet my pals- these are the Blippi Buddies! They're gonna be dancing and singing and playing along with us today! Everyone say "Hi, Blippi Buddies!"

BLIPPI BUDDIES

Hello there! Nice to meet you! Hi! Etc...

BLIPPI

You know, one thing the Blippi Buddies are really good at is dancing! Dancing is a really good way to get your body going! Would all of you like to dance along with us?

AUDIENCE responds.

BLIPPI

Great! Ok, everybody stand up out of your seats! We're gonna teach you a cool new dance that has a pretty cool name- it's called...the Blippi! Here's how it goes: you take your arm and you move it like this...

Blippi and the Buddies demonstrate and encourage the audience as they follow along.

BLIPPI

Good job! Now, you jump on your leg, just like this! It can be kinda tough but you'll get it!

BLIPPI

And now, you wiggle and make a silly sound, just like this!

Blippi and the Buddies wiggle in an over-the-top silly way and make SILLY SOUNDS.

BLIPPI

Oh, wow! That was a really silly sound for sure! Now, we put them all together- wiggle your arm, jump on one leg, and wiggle and make a silly sound! All together!

BLIPPI

That's great! Wow! You're *really* good at this! Guess what? We just invented a dance, together! Let's call it- "The Blippi!" Let's do "The Blippi" all together! Are you ready? Then here...we...go!

BLIPPI THE MUSICAL

BLIPPI SIDE #2

BLIPPI

Do you like loud sounds? You do? That's so cool! You know what else makes a loud sound? A Monster Truck! Yeah! Do you know what a Monster Truck is?

AUDIENCE RESPONDS.

BLIPPI

You do?! Aren't they the coolest!? Have you ever seen one before? They are enormous! They are gigantic! Oooh! I can't wait to show you this!

Blippi runs over to an area of the stage with some sort of flat, hip height surface and pulls out a bunch of MINI MONSTER TRUCKS. We see him appear on the VIDEO WALL, much like he looks in his YouTube videos.

BLIPPI

Look what I have here- Monster Trucks!! Aren't they so cool?

Over the following, we see Blippi act out the motions and things he describes with the toy monster trucks.

BLIPPI

I love how they move so fast! And how their wheels can do awesome things- like wheelies! Whooooooooooooooooo! And how can they climb over things! And sometimes they race around each other like this! Ha! I love them! Boy, I wish we had a Monster Truck here right now! But, hey- you know what? We can *imagine* we have a Monster Truck here right now! Would you imagine with me? Lets close our eyes and imagine really hard on the count of three! Ok- here we go- one, two, three!
IMAGINE!

BLIPPI LIVE

BLIPPI SIDE #3

BLIPPI

Have you ever wanted to visit all of the sea creatures that live underwater? Fish and turtles and whales and dolphins and sharks? Ooh! Sharks! Wouldn't it be so cool to go underwater and visit all of *those* animals? If only we could!

Blippi suddenly gets an idea.

BLIPPI

Wait a minute! I have an idea! We used our imaginations before to imagine Monster Trucks- what if we all used our imaginations again, together, to imagine visiting all of our animal friends underwater?! Would you imagine that with me?

AUDIENCE RESPONDS.

BLIPPI

You will? Oh boy! Who knows what we will see! Ok then-let's do it! Everybody stand up, real tall!

AUDIENCE RISES.

BLIPPI

We're gonna pretend like we're jumping into the water! Ok, now, hold your nose and get ready to jump into the water all together! Are you ready? It's going to take some big imagining! Here we go! Ooh! And hold your nose!
