

~~DIANA SENSATION~~

~~And you brought the whole room with you?~~

~~CLAIRE VIEW~~

~~Why the fifth degree?~~

~~DIANA SENSATION~~

~~Its suspicious!~~

~~DISARRAY~~

~~(Pulling out some costumes)~~

~~Oh, leave her alone, Diana. She's giving her shit away. For free!~~

~~DIANA SENSATION~~

~~Mhm.~~

START

CLAIRE VIEW

You girls help yourself to anything. No catch, I promise.

LADY OLIVIA MONROE

Even I gotta admit, it seems suspicious, Claire. Why are you giving all this away? You could make some good money from selling this?

CLAIRE VIEW

Can't a queen give things away?

LADY OLIVIA MONROE

Not unless she's quitting.

DIANA SENSATION

Quitting?

CLAIRE VIEW

I'm not quitting... officially.

DIANA SENSATION

(Phew)

Oh, okay. Just unofficially. Nothing to worry about. Divas quit unofficially all the time. They either need a break or are going to "summer camp." Which is it?

DISARRAY

Oh my god, you're on the show? That's so exciting!

CLAIRE VIEW

I am most definitely not on any show.

DISARRAY

That's exactly what someone who got on the show would say.

NICK

You're quitting quitting?

CLAIRE VIEW

I didn't want to do this here or now, but yes, I'm quitting drag. I've been doing this for many, many years. I'm tired. Exhausted, actually. I've had a very full and wonderful career. I've gotten to do all kinds of amazing things for someone who has never been on a particular television show. I traveled, I twirled, but at the end of the day I want to settle down. I want to find peace and relax. I can't keep putting my body through this. I think its time I slow it down.

DIANA SENSATION

What do you mean slow down? You're younger than me!

CLAIRE VIEW

I can still be tired, girl!

DIANA SENSATION

You better not be telling us you're quitting tonight.

CLAIRE VIEW

I'm not quitting before the show.
(to BRANDI NEUX)

You okay, sweetie?

END

NICK

Yeah... I just...
(beat)

Can I put the wig on now?

DISARRAY takes the wig off the wig stand and places it on BRANDI NEUX's head. DISARRAY begins putting pins in it.

NICK

Ow!

DISARRAY

Sorry! Just want to make sure its secure!

NICK

To my brain?
